

## Hatch'M – Part 1

It's important that God's Word continues after the message. At Celebrate, we find that you will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

This week we learned **3 Reasons** Why Godly parenting is so important.

### 1. It's our God-Given Responsibility

God has given all parents a responsibility to model and teach the way of Christ to their children. In what ways have you struggled with this? In what ways have you succeeded?  
*Ephesians 6:4; Proverbs 22:6; Colossians 3:21*

### 2. It's the Key to God's Blessing

The first step to receiving God's blessing on our household is to simply make Him the center of it all. What have you done to make God the center of your household? How can you take it one step further?  
*Hosea 4:6; Matthew 6:33*

### 3. It's How we Change a Culture

We live in a world that is absolutely starving for community, acceptance and above all, love. The perfect solution to this is the model of a God-centered family who talks with, walks with and lives for Jesus. How can families, through living out faith, transform a culture?  
*Romans 12:2; Psalm 78:4-8; Galatians 3:28*
