

It's important that God's Word continues after the message. At Celebrate, we find that you will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

These words spoken by Aimee in the movie "Beautifully Broken": "Everyone is broken in some way", and "Who knows how God will use your pain?" are very powerful and speak to the heart of what God wants us to know about Him. We all have a purpose which is to help each other through this life with grace and understanding.

*1 Samuel 12:24; Matthew 20:28; Mark 10:45*

Discussion questions:

1. What are your thoughts on being the hands and feet of Jesus? Where should that take place? All jobs are important as they will usually involve people, so what can you do differently today to understand that value?  
*Philippians 2:4; Romans 12:13; Isaiah 2:8*
2. What are your comfort zones and are you willing to step out of them in order to do the work that God gave us to do?  
*Isaiah 58:10; Galatians 6:3; 2 Corinthians 1:4-5*
3. How can God use you as a vessel to help others? What does it mean to you to "be the change that you want to see"?  
*1 John 3:17; Ecclesiastes 4:9-10; 1 Kings 8:58*

As we go through life and meet new people, we have no idea where they have come from. We don't know their story. God calls us to have compassion for others as you get to know them and learn their story just as they are learning your story.

What are some ways that we can show compassion to others? Have you become too comfortable in not seeing others as Jesus did?

*1 Corinthians 12:25; 2 Corinthians 8:10-15*

#### Devotional

Lord, we pray that you will show us where to go and what to do. Help us Father, to be a voice for the voiceless. May we give as your Son gave, to love and encourage those hurting and in need.
