

UNSHAKEABLE

Week 3 LIFE Group Discussion Guide

Brief Check-in

Does everyone know one another? If not, introduce anyone new. Check in briefly for about a minute concerning God's use of your passions and strengths.

Memory Verse

"Study God's Word continually. Meditate on it day and night so you may be sure to obey all that's written in it. If you do you will be prosperous and successful" (Joshua 1:8).

Video Questions

If you haven't seen it already, play the Week 3 introductory video available at www.celebrate.church/unshakeable and begin your discussion by responding to it in your group.

Are you learning from the world or the Word? What about those around you? Who are a few people who are learning from the Word that you can surround yourself with?

Discussion Questions

When you need advice, where do you turn first and why?

How often do you read the Bible? How are you different when you regularly read the Bible compared to when you don't?

Describe a time you received worldly advice and the result. Then let the group discuss Biblical alternatives.

Putting It Into Practice

List the names of potential Godly mentors in your *Unshakeable* devotional's "Daily Journal" section. Pray for these people this week, and then approach one to establish a mentoring relationship.

Prayer Direction

Write your personal and group's prayer requests in your *Unshakeable* devotional's "Daily Prayer" section and pray each day for your needs as well as those of your LIFE Group and others.

Pray that God will surround you with people who rely on His Word for guidance.

Diving Deeper

Read the daily devotions for this week.

Read through 2 Timothy 3 to see what God says about Scripture's influence on our lives.
